Victoria College Admissions Regulations

Victoria College is an open admissions institution under the authority of the Texas Administrative Code Title 19 and the Southern Association of Colleges and Schools Commission on Colleges. Admission to the College does not guarantee admission to all programs at Victoria College. Admission requirements for specific health programs are listed in the VC Catalog at VictoriaCollege.edu/Catalog.

Online Registration

A student may register using online registration if the following requirements are met:

1. Scores are on file on all parts of an assessment test or students are exempt.
2. There are no holds on record (admissions, library, parking, etc.).
3. The student is a returning VC student or a transfer student who has completed the application process and is eligible to register.
4. The student is not on academic suspension.
5. Student does not need to register in a development education course.

A username and password can be retrieved through the Pirate Portal once the application process has been completed. For assistance with login and password retrieval, contact the Help Desk at (361) 582-2509. This login information will be used as a security measure each time a transaction takes place and should be known only by the student.

Payment of Tuition and Fees

For all advisor-assisted registration, a fee statement will be generated by the advisor for the student to take to the Payment Center for payment. Payment can also be made online. Grants, loans, and scholarships will be posted directly into the student's account to offset tuition and fees. If the aid posted is not enough to cover tuition and fees, it is the student's responsibility to pay the remaining balance before the term begins.

Pirate Orientation

Chart Your Course for Success

New students who have the Pirate Orientation Hold on their account are required to attend a 4-hour Pirate Orientation session on the Main Campus in Victoria or at the VC Gonzales Center. Once you've registered for classes – ideally with an advisor in Advising & Counseling Services – you will then be able to sign up to attend a morning or afternoon Pirate Orientation session.

During Pirate Orientation, students will map out their preferred educational path, become familiar with resources that are key to their success, and learn about their responsibilities as a VC student.

For more information visit www.VictoriaCollege.edu/PirateOrientation or (361) 582-2400.

Campus SaVE Act

The Campus SaVE Act requires that higher education institutions provide students with training that addresses topics related to rape, acquaintance rape, domestic violence, dating violence, sexual assault, and stalking. First time freshman are required to complete Campus SaVE training through Campus Clarity. It is a mandatory training that must be completed before students can register for classes. Students will receive a link to the Campus SaVE training through their VC Pirate Portal email.

**Academic Warning**

Students at Victoria College are expected to make and maintain a cumulative grade point average of 2.0 or above. The grade point average will be determined by considering all courses taken except those courses in which grades of Q, W, S, SA, SB, SC, U, or UF were received.

Students on academic warning may remove their probationary status by increasing their GPA to a 2.0 or above within the following semester. Students placed on academic warning will be required to enroll in a 12-week SDEV 0012 consisting of a 75 minute weekly class session and a 15 minute weekly meeting with an academic coach. Students who are absent from three SDEV 0012 class meetings will be dropped from all enrolled courses.

**Transfer Students**

Students transferring from another college/university to Victoria College will be admitted without regard to probation status from their former college or university.

**Academic Probation**

Students who are on academic warning and fail to increase their GPA to a 2.0 or above will be placed on academic probation the following semester. Students placed on academic probation will be required to meet weekly with an academic coach. Students who miss two academic coaching appointments will be dropped from all enrolled courses.

**Academic Suspension**

Students who are on academic probation and fail to increase their GPA to a 2.0 or above will be placed on academic suspension the following semester and will not be permitted to return to Victoria College until one semester (fall or spring or both summer sessions) has elapsed.

In order to not sit out a semester, students have the right to appeal their suspension for readmission through the Dean of Academic Support and Student Success.

If granted the appeal, students will adhere to the terms of the Agreement of Understanding for Academic Appeal.

Satisfactory Academic Progress (SAP) Policy

Federal regulations mandate a student receiving financial assistance under Title IV programs must maintain satisfactory academic progress in his/her course of study regardless of whether or not financial aid is awarded each semester. Title IV funds include Pell Grant, SEOG, Direct Loans, and Federal Work Study.

Financial Aid SAP standards are not the same as the Victoria College Academic Standards.

Although students may be granted an Academic Fresh Start, the Financial Aid Office is required to include all prior credits completed or attempted, including prior grade point averages (GPA) when determining eligibility for financial aid. Student financial aid, as defined in this policy, specifically applies to all federal, state, and certain institutional aid programs. Federal guidelines stipulate that this policy applies to ALL enrollment periods, regardless of whether students have received financial aid.

NECESSARY REQUIREMENTS FOR SATISFACTORY ACADEMIC PROGRESS

Qualitative Standards - Students will be expected to maintain the minimum academic standards as outlined in the Academic Regulations in the Victoria College Catalog and established by the Admissions & Records Office. Students must maintain a cumulative GPA of at least 2.0. This will not include any developmental classes.

Quantitative Standard – Students must complete 67% of their cumulative attempted hours. This number will not be rounded up or down. The quantitative standard is used to measure a student's pace in a program. A student may be on pace for the semester but not be on pace when calculating the cumulative hours. Pace is measured by dividing the cumulative number of hours the student has successfully completed by the cumulative number of hours the student has attempted. Keep in mind attempted means all the hours a student registered for, even those in which he/she may have received any of the following grades: W, F, FX, S, SA, SB, SC, T, U, UD, UF, I and Q. Completed means those hours a student has registered for and received a grade sufficient for graduation. Foundational coursework is included in this calculation as well as transfer credits accepted by Victoria College.

Maximum Time Frame - Victoria College is a two year public community college with certificate and associate degree programs. Students must complete their program of study within 150% of the length of the program. Maximum time frame is measured by dividing the number of credit hours the student has attempted by the number of credit hours required to complete the student's program of study. If the student will exceed 150% by the end of the program, the student will be placed on Financial Aid suspension. The time frame requirement applies to certificate programs, as well as associate degree and applied science degrees. Transfer course work accepted by Victoria College and courses with a grade of F, FX, W, S, SA, SB, SC, T, U, UD, UF, I and Q will be included in the calculation.

FAILURE TO MEET MINIMUM REQUIREMENTS

Financial Aid Warning is a status assigned to a student who fails to make Satisfactory Academic Progress at the end of a payment period and will be allowed to continue to receive aid for one payment period. There is
Financial Aid Probation is a status assigned to a student who fails to make Satisfactory Academic Progress for a subsequent payment period and who has appealed and has had eligibility for aid reinstated. A student on Financial Aid Probation may receive Title IV funds for one payment period. At that point, the student must meet the school’s SAP standards or the requirements of the established individual academic plan to maintain Title IV eligibility.

Financial Aid Suspension is a status assigned to a student who has not met the requirements for Satisfactory Academic Progress and has not been granted an appeal, or a student who was on Financial Aid Probation and failed to meet Satisfactory Academic Progress or the requirements of the established academic plan and will not be eligible to receive Title IV funds.

APPEAL PROCESS
Students who have not made satisfactory academic progress after being placed on warning status may file an appeal to the Satisfactory Academic Progress Appeals Committee (SAPAC).

A student can appeal if:
• There is a death of a relative
• An injury or illness occurred
• Other special circumstances

How to appeal:
• Complete a SAP appeal application available at www.VictoriaCollege.edu/FinancialAidForms.
• Appeal is due to the Financial Aid Office the Friday prior to the committee’s meeting. The Appeals Committee meets once a month. Contact Financial Aid for specific meeting dates.
• Student will need to meet with an Academic Advisor to determine an Academic Plan for future semesters and must take courses that are part of the declared degree program.

If your appeal is approved:
• You will be placed on Financial Aid Probation/PLAN.
• You must meet the Satisfactory Academic Progress minimum requirements as outlined above.
• You must meet the minimum requirements EVERY semester.
• You will be evaluated at the end of each semester to determine that you continue to be eligible for Title IV funds.

If your appeal is denied:
• A student has the right to appeal to the Dean of Student Services. The appeal form for the Dean of Student Services is available at www.VictoriaCollege.edu/FinancialAidForms.
• The decision made by the Dean of Student Services is final.

If you fail to meet minimum standards while on Financial Aid Probation/PLAN
• You are not eligible to appeal any further for GPA/PACE suspension.
• You will not receive any Financial Aid funds.
• If you are on suspension for GPA/PACE, then you must get back into Good Standing on your own.
• If you are on suspension for maximum time frame, you must meet cumulative GPA/PACE requirements for a subsequent payment period before you may be eligible to appeal.
ADDITIONAL INFORMATION

• Financial Aid recipients who withdraw from classes or stop attending classes before completing at least 60% of the semester may have to pay back a portion of their grant and/or loan money. The 60% completion rate will be determined by the attendance as submitted by the instructors. This is known as a Return to Title IV calculation (R2T4). This includes all grades of W, Q, U, UD, UF, F and FX. The amount of financial aid earned up to the last attendance date is determined by a specific federal formula.

• A maximum of 30 developmental hours may be taken and paid for with Title IV funds.

• Students may not receive federal aid for courses that were previously taken and passed beyond the first retake. Repeat courses still count toward your attempted hours for Financial Aid purposes. Other restrictions may apply in regard to repeat courses. Check with the Financial Aid Office for clarification.

• A student on Suspension will not be eligible to receive TPEG funds for Continuing Education (CE) courses.

• Pell Lifetime Limits – the Department of Education limits the student’s eligibility for Pell Grant to 600% or 12 full-time awards.

• Loan Aggregate Limits – the Department of Education limits loan awards based on student status: dependent/independent, undergraduate/graduate.

• A student must be in Good, Warning, or Plan status to receive institutional scholarships or childcare assistance.

Campus Law Enforcement Publications
Clery Act Report – Federal law requires all colleges and universities to disclose information regarding crime on and around their respective campuses. Victoria College, in accordance with the Clery Act, compiles and publishes an annual security report. Statistics for the report are obtained from the Victoria College Police & Campus Safety Department, the Victoria Police Department, Hallettsville Police Department, Cuero Police Department, Gonzales Police Department, and the Port Lavaca Police Department. A copy of the report can be viewed at www.VictoriaCollege.edu/CampusPoliceSecurity or a copy can be obtained in the Police & Campus Safety Office, Academic Building, Suite 210, during normal business hours.

Campus Sex Crimes Prevention Act (CSCPA)
CSCPA is a federal law that requires colleges and universities to issue a statement providing the campus community with information regarding registered sex offenders. Law enforcement agencies are required to inform colleges and universities when registered sex offenders indicate they plan to attend classes, live, work or volunteer their services on a college or university campus. The law also requires that registered sex offenders personally contact and notify Police & Campus Safety authorities of their impending presence. Victoria College prepares and retains an Institute of Higher Education Sex Offender Notification for all registered sex offenders that notifies the Police & Campus Safety Department of their intent to attend classes.

Public Crime Log – Victoria College maintains a Public Crime Log which contains a record of all criminal incidents reported to Police & Campus Safety. The log may also contain references to reports of other non-criminal safety or risk-related incidents. The Crime Log contains the nature, date, time, and general location of each crime, as well as its disposition, if known. Incidents are required to be added to the log within two business days of occurrence, but certain information may be withheld to protect victim privacy or to ensure the integrity of ongoing investigations. The Victoria College Crime Log is available for review in the Police & Campus Safety Office during normal business hours.

Timely Warning Notice and Access to Information
Victoria College must provide timely warnings to the campus community regarding crimes that pose an ongoing threat to students and employees. When there is knowledge of an ongoing threat, or if a trend of serious or illegal incidents is recorded by Police & Campus Safety personnel, a crime alert bulletin will be issued.
Sexual Harassment & Discrimination

Freedom from Discrimination and Harassment
All students have the right to a learning environment free from discrimination and harassment based on sex, race, color, national origin, age, religion, disabling condition, veterans status, or limited English proficiency.

Sexual Harassment
Sexual harassment is a type of sexual discrimination prohibited by Title VII of the Civil Rights Act of 1964 and Title IX of the Education Amendments of 1972 and is, therefore, prohibited at Victoria College.

By definition, sexual harassment involves the unwelcome introduction of sexual activities or comments into the workplace or classroom. Unwelcome sexual advances and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

- Submission to the conduct becomes a term or condition of employment or academic achievement.
- Submission to, or rejection of, the conduct is used as a basis for employment or academic decisions regarding the individual, or the conduct unreasonably interferes with the individual’s work performance or creates an intimidating, hostile or offensive working or academic environment. Victims of sexual harassment can include students and employees of both sexes.

Harassment
Harassment is defined as extreme or outrageous acts or communications that are intended to harass, intimidate or humiliate students or employees on account of sex, age, religion, disabling condition, veteran’s status, race, color, or national origin and that cause them to suffer severe emotional distress or impede the learning process. Harassment is expressly prohibited and any student or employee who engages in such conduct is subject to disciplinary action.

Sexual Violence
Students are also protected by federal law from sexual violence, which is another form of gender-based discrimination. Sexual violence includes sexual assault, domestic violence, dating violence, and stalking. If a student has experienced sexual violence either on or off campus, a complaint procedure and information regarding assistance can be found in the Victoria College Policy Prohibiting Sexual Violence. The policy can be accessed at www.VictoriaCollege/StudentServices.

Reporting Sexual Assault and other Sexual Misconduct
Students and employees are encouraged to report instances of sexual assault and sexual misconduct. The anonymous sexual assault and sexual misconduct form is available online https://victoriacollege.formstack.com/forms/sexual_assault_misconduct_form.

Please Note: Completing the sexual assault and sexual misconduct anonymous reporting form does not constitute a police report. If you are experiencing an emergency, please call 911 or 9-911 from a campus telephone.

The Title IX Coordinator for Victoria College is Terri Kurtz. She can be reached at (361) 572-6463.
Disposition for Cases of Complaints of Discrimination and Harassment

Complaint Procedure
Students who feel they have been discriminated against based on one or more of the above-cited factors are entitled to file a complaint as outlined in the following procedure:

- Contact Terri Kurtz, Affirmative Action Officer, in the Academic Building, Suite 104.
- Each complaint will be investigated as promptly and thoroughly as possible.
- If the investigation indicates that discrimination has occurred, prompt and appropriate action will be taken to end the discrimination.
- In the case of allegations of discrimination involving disabling conditions, the coordinator for college compliance with the Americans with Disabilities Act will participate in all proceedings.

Complaints by Students Against Students
- If the complaint is found to have merit, the Affirmative Action Officer will have the authority to recommend or impose sanctions.
- If the complaint is found not to have merit, the Affirmative Action Officer may dismiss the case.
- Either party may appeal the findings of the Affirmative Action Officer to the Discipline Committee. The Appeal Form is available at: www.VictoriaCollege.edu/StudentServices

Complaints by Students Against Staff or Faculty Members
- If the complaint is found to have merit, appropriate disciplinary action will be recommended by College authorities.
- The accused may appeal this finding by following the procedures outlined in the Complaint Procedure, Section 1.2.4 of the Employee Handbook. The Complaint Procedure can be accessed at www.VictoriaCollege.edu/StudentServices

Upon completion of the investigation, the Affirmative Action Office will notify the student of the outcome of the investigation.

Freedom from Retaliation or Reprisal
Any student has the right to make a good faith complaint of discrimination or harassment without fear of retaliation or reprisal. Any student who feels that he or she has been subjected to any form of retaliation or reprisal because of his or her complaint is entitled to file a complaint with the Affirmative Action officer as outlined above.

In cases of alleged discrimination or harassment, a student whose complaint has been found not to have merit may appeal, in writing, directly to the President of the College who shall uphold or reject the appeal and notify the student within 10 days. A student whose appeal is denied by the President may appeal in writing to the Board of Trustees in sufficient time for the matter to be included on the agenda of the next regular Board meeting following the President’s decision. The decision of the Board shall be final.
Rights of Students

Right of Admission and Access

• Admissions
Victoria College is an open-admission institution. An applicant for admission shall not be discriminated against on the basis of race, color, religion, national origin, gender, pregnancy, age, disability, genetic information, marital status, amnesty, veterans status, or limited English proficiency. The complete admission regulation can be found in the Victoria College Catalog at www.VictoriaCollege.edu/Catalog

• Financial Aid
An applicant for, or a recipient of, financial aid (including grants, loans, work study, college employment, childcare assistance, and scholarships) shall not be discriminated against on the basis of race, color, creed, religion, age, sex, marital status, beliefs, national origin, disabling condition, veteran's status, or limited English proficiency.

• Use of Facilities and Services
Victoria College may delineate the purpose for which students may use certain facilities and shall make them available on a fair and equitable basis. However, the College may restrict its facilities and services when their use would interfere with normal College operations and primary instructional purposes or create undue security or maintenance concerns.

Right of Privacy

• Person and Property
A student shall be free from searches and seizures of possessions while on College property unless said search and seizure is conducted in accordance with state and federal laws. In cases of imminent danger or when there are reasonable grounds upon which to believe it is necessary to conduct a search immediately in order to protect life or property, searches may be conducted in the presence of the Dean of Student Services or another member of the Dean's staff acting as the Dean's authorized representative.

• Disciplinary Records
Disciplinary records and information maintained by the Dean of Student Services are treated in a confidential manner. Students have the right to view their disciplinary records; such records and the information contained therein will not be released except with the written authorization of the student. However, the Dean of Student Services may disclose the student's disciplinary record without the student's consent if legal compulsion or the safety of people or property is involved, or if the information is required by authorized College personnel for official use. In these circumstances, only the information pertinent to the inquiry may be revealed. The Dean of Student Services may also act without the student's consent to have a statement of suspension or dismissal entered on the student's academic record for the time that this disciplinary sanction would prohibit the student from registering. Written notice of this statement shall be sent to the student.

• Assessment Records
A student's test data and record shall be kept confidential, except for use by College personnel, unless the student consents in writing to have it revealed to a designated person or institution. Test data will be reported, in the aggregate, for the purpose of institutional research, planning, and evaluation and for required federal and state reports.
• **Permanent Education Records**
Permanent education records of both credit and noncredit courses are maintained in the Admissions and Records Office. The permanent record contains the following:

Student records are accessible to counselors, administrative staff, and faculty for the purpose of academic advising. It is the practice of the Registrar to release students' telephone numbers upon request, unless specifically instructed not to do so. The numbers are released to accommodate frequent requests by faculty and students; telephone numbers are rarely requested from off-campus individuals.

Student Rights & Responsibilities Regarding Academic Relationships

Student Rights
1. Information About Course Content
Students have the right to be informed in reasonable detail, in writing, at the first or second class meeting with the assigned instructor about the general nature of the course and to expect the course to correspond generally to the official description.

2. Information About Course Grading Criteria
Students have the right to be informed, in writing, at the first or second class meeting with the assigned instructor about the criteria to be used in evaluating student performance and to expect the criteria to be followed.

If factors, such as absences or late work, will be considered in determining grades, students should be so informed in writing at the first or second class meeting.

3. Contrary Opinion
Students have the right to express dissenting views with the information or views presented in the classroom without being penalized.

4. Academic Evaluation
Students have the right to receive grades based upon a fair and just evaluation of performance as measured by the standards announced by the instructor at the first or second class meeting. Grades determined by anything other than the instructor’s good-faith judgment based on such standards are improper. Among irrelevant considerations are race, color, religion, age, sex, disabling condition, parental status, marital status, national origin, political affiliation, or activities outside the classroom which are unrelated to course work.

5. Academic Records
Students have the right to confidential academic records. Such records are released only for use by College personnel for required purposes such as academic advising and determination of financial aid eligibility. The release of student records for off-campus use, such as the release of transcripts, may occur only with the student's knowledge and consent, where required by law or subpoena duces tecum.
Student Complaint Procedure

Complaints: In this policy, the terms “complaint” and “grievance” shall have the same meaning.

Other Complaint Processes: Student complaints shall be filed in accordance with this policy, except as required by the policies listed below. Some of these policies require appeals to be submitted in accordance with the relevant complaint process:

- Complaints alleging discrimination or harassment based on race, color, sex, gender, national origin, disability, age, or religion. [See page 26]
- Complaints concerning retaliation relating to discrimination and harassment. [See page 27]
- Complaints concerning disciplinary decisions. [See page 40]
- Complaints concerning general Academic concerns [See page 38]

Victoria College encourages students to discuss their concerns with the appropriate instructor or campus administrator who has the authority to address a student concern. Concerns should be addressed as soon as possible to allow early resolution at the lowest possible administrative level.

Students who feel that their rights, as outlined, have been violated have the right to file a complaint as set forth below. Students may submit a complaint by completing the electronic Student Appeal and Complaint form located at www.VictoriaCollege.edu/StudentServices. Students may also submit a complaint by hand-delivery, email, fax, or U. S. mail. Complaints should be submitted within 10 business days of the alleged violation.

The Office of the Dean Student Services will ensure that student complaints are submitted to the appropriate dean or campus administrator. If the student needs assistance with determining who the appropriate dean or director is, then the Office of the Dean of Student Services, located in the Student Services building is available to assist. Please note that all timelines will be strictly enforced.

The Student Appeals and Complaint form may also be emailed to DeanofStudentServices@VictoriaCollege.edu or to the appropriate dean or director. The student will receive a confirmation email once the complaint form is submitted by the student. Upon review of the complaint, the process to resolve the complaint will be initiated.

Code of Conduct

The rules, procedures, rights, responsibilities, and policies set forth in this document are designed to ensure that students have an environment that is conducive to learning and to protect student rights as well as the rights of the College. By this publication of the rules governing student conduct, Victoria College recognizes that students have the right to know the circumstances and manner in which this disciplinary power will be exercised and advises students that disciplinary rules will be enforced.

The Victoria College Discipline System

The Board of Trustees delegates the responsibility for student discipline to the President of the College. The Dean of Student Services and the Vice President of Instruction are the administrators designated by the President of the College to be responsible for the administration of the Student Code of Conduct in their respective areas.

Misconduct

The actions listed and defined below are punishable disciplinary offenses and applicable to situations that occur on College property or at College sponsored activities, or off-campus or at non-College sponsored activities where the commission of acts, which constitute a violation of local, state or federal law, interfere with, are detrimental to, or incompatible with the College's educational mission as set forth in its mission statement, policies and regulations. Special Notice Regarding Nonacademic Misconduct and Local, State, and Federal Law Enforcement Authorities
In addition to the acts of misconduct specified herein, the minimum standards of individual conduct required by local, State, and Federal penal statutes are both expected and required of every student attending the College. Students may be disciplined by the College for violating any such standards of conduct on the campus or off of the campus in any of the following situations: when the incident occurs in connection with an institution-oriented activity, or when the incident has a substantial connection to the interests of the College in maintaining an orderly educational process, even if the student is or may be penalized by government authorities for the same act. A student who admits to, or is found to have engaged in, conduct prohibited by these standards as determined through the College investigation and appeal process, may be subject to discipline, even if no charges are brought by the government, if the student enters a plea bargain, or if the student is granted deferred adjudication.
Definitions
The following definitions apply to and should be read in conjunction with the Prohibited Acts of Misconduct:

1. **College Property**: “College Property” refers to the Victoria College campus and all of the physical units of operation and resources owned by Victoria College. As such, Internet access, telephones, and other telecommunication devices owned and managed by Victoria College and used in the commission of an act of misconduct results in the misconduct being defined as having occurred “on College property” regardless of where the offense is committed.

2. **Members of College Community**: All College students, employees, Trustees, contractors, visitors, and guests are defined as “members of the College Community.”

3. **Possessing, possession, or possess**: A student is in “possession,” “possesses,” or is found to be “possessing” any item, article, thing, or object prohibited by the prohibited acts of misconduct when the item, article, thing, or object is in the student’s vehicle, on his/her person, or in a backpack, briefcase, tote bag, or any other carry-all case, or otherwise under their control. The student need not be the owner of the item, article, thing, or object.
Academic Misconduct Disciplinary Process
When a student has been suspected of cheating, plagiarism, and/or failure to comply with course/program requirements, the instructor must, within five business days of the discovery, inform the student in writing that a charge of academic misconduct is being made and that a sanction is being imposed. The sanction may include any grade on the paper or examination in which the offense occurred or any grade for the course in which the offending paper or exam was submitted. In cases of failure to comply with course or program requirements, sanctions may include withdrawal from the program.

The instructor must also inform the student of his/her right to appeal and to which Dean or Director to make the appeal. The student will then have five business days from receipt of the instructor's notice of charge and right to appeal in which to notify the Dean or Director of his/her intention to appeal.

Students subjected to an emergency, temporary suspension and removal may proceed with appeals to the President of the College.

Students who have been recommended by the Dean of Student Services for imposition of a sanction(s) subject to appeal shall not have the sanction(s) imposed unless the sanction(s) requested by the Dean of Student Services, or other sanction(s) selected during the appeal process, are upheld upon completion of the appeal process.

Student Role and Responsibility in Institutional Decision-Making

Statement of Student Role and Responsibility in Institutional Decision-Making

The Student Government is the official liaison between the student body and the College administration and serves as the mechanism for student input into institutional decision making. The Student Government is comprised of representatives elected from official campus organizations.

It is the responsibility of the Student Government to represent the entire student body, to give thoughtful consideration to student concerns, to present recommendations to the Administrative Council for consideration and to communicate decisions affecting students to the entire student body. Recommendations may be presented for Administrative Council consideration at the request of a simple majority of the Student Government. Recommendations shall be in written form and shall be presented to the Administrative Council through the Dean of Student Services.

The Administrative Council shall consider all recommendations and inform the Student Government of the decision(s). The Administrative Council may confer with members of the Student Government prior to making a decision. The Administrative Council may, from time to time, request that the Student Government consider various matters deemed by the Council to require review by the student body.

College Regulations Affecting Students

Attendance

In general, attendance is defined as being physically present in a face-to-face class and/or the face-to-face portion of a hybrid class at the time attendance is taken. For online classes, attendance is defined as activity in the class a minimum of 1 time per week.

Attendance will be taken for every class meeting. The method by which attendance is taken will be determined by the faculty member and clearly outlined in the class syllabus. Attendance records will be submitted electronically to the appropriate Division Dean on the last day of the course.

Regular and prompt class attendance is expected of every student. A student’s absence means that the student is not able to participate in the class.

Instructor-Initiated Withdrawals (Drops)

While it is the final responsibility of the student to drop a class that she/he is no longer attending, instructors may drop students under the following conditions:

Pre-ORD (Official Reporting Date)

Instructors must drop a student who has not logged into an online class or physically attended a face-to-face or hybrid class prior to the ORD. Instructors must initiate ORD drops by the published deadlines.

Post-ORD (Official Reporting Date)

An instructor cannot drop a student with an average of D/UD or better.

Instructors may at their discretion drop a student who is not passing without consultation with the student when absences accrued from the first day of class exceed the equivalent of two weeks of the class meetings. For classes that include a separate laboratory, a student may be dropped when absences exceed two weeks of the laboratory meetings or two weeks of the lecture meetings. For classes that don’t meet for the traditional 16-week term, an equivalent number of contact hours...
will be used (i.e. 6 hours for a traditional 3-hour course). Additional division retention practices may be required.

An instructor cannot drop a student after 12 weeks of class instruction has been completed for the traditional 16-week term. For classes that don't meet for the traditional 16-week term, an equivalent number of contact hours will be used (i.e. 36 hours for a traditional 3-hour course).

This practice applies to all modes of instruction. Pursuant to Section 51.9111 of the Texas Education Code, active duty military personnel who provide copies of official orders verifying a call to active duty are exempt from the above practice. Interested parties should refer to the Student Handbook for additional information.

Under special circumstances, an instructor may drop a student sooner than outlined above if the special circumstances are clearly noted in the syllabus or program handbook and have been approved in advance by the appropriate Division Dean. Selective admission programs define their attendance and instructor-initiated withdrawal procedures in their syllabi and program handbooks.

Instructors will initiate withdrawals by completing the electronic drop form and forwarding it to the Advising and Counseling Services Office. The electronic drop form (see appendix) can be found on the faculty tab of the VC portal. The grade at the time of the drop and the last day of attendance must be included on the electronic drop form.

Instructors will set their own make-up policy as outlined in the course syllabus for work missed due to absence(s).

This practice applies to all modes of instruction. Pursuant to Section 51.9111 of the Texas Education Code, active duty military personnel who provide copies of official orders verifying a call to active duty are exempt from the above practice. Please see the Victoria College Student Handbook for the policy regarding absences for military service.

The Vice President of Instruction can make exceptions to the above rules.

Absences for Military Service

- Pursuant to Section 51.9111 of the Texas Education Code, students who are called to active military service and are unable to attend classes or other required activities (i.e. examinations) because of such active service, will be excused for the absences or failure to engage in the required activities. However, the maximum period for which a student may be excused shall be no more than 25% (twenty-five percent) of the total number of class meetings or the contact-hour equivalent (not including the final examination period) for the specific course or courses in which the student is currently enrolled at the beginning of the period of active military service.

- A student will not be excused from classes or required activities under this regulation unless the student notifies Victoria College and his/her instructor(s) of the active duty and provides a copy of the orders. The coursework completed by a student prior to being called to active duty will be retained.

- Upon return from active military service, students excused from absences and activities under this regulation will be given a copy of the course syllabus or other instructional plan and shall be provided a reasonable time to complete an assignment or take an examination. The time to complete an assignment or take an examination will be determined by the student's instructor. However, the period of time provided should be at least a period twice the duration of their leave (i.e. on leave of one week, student will be given two weeks to complete the assignment). A student who is excused will not be penalized for the absence as long as the required coursework is completed in the reasonable time determined by the instructor. Students who feel that this regulation has been violated should immediately contact the division dean for the course or courses in which they are enrolled. Alleged violations will be resolved in accordance with the Victoria College Code of Student Conduct.
Excused Absences for Religious Holy Days
For observance of a religious holy day, students may take an examination or complete an assignment scheduled for that day within a reasonable time if:

The student notifies the instructor of each class scheduled on the date that the student would be absent for a religious holy day no later than the 15th day after the first day of the semester. (In accordance with Texas Education Code 5.1.911).

The notice must be in writing and must be delivered by the student either:
  a. personally to the instructor of each class, with receipt of the notification acknowledged and dated by the instructor or
  b. by certified mail, return receipt requested, addressed to the instructor of each class.

Children on Campus
Unsupervised children are not permitted on the Victoria College campus. Parents may not bring their children to class, tutoring, the Testing Center, Pirate Orientation, or study areas. Children may not be left unattended while parents are in class. Children are welcome to accompany their parents to campus while the parents conduct College business, such as admissions or financial aid related matters. However, parents are always responsible to ensure that their children are supervised.

College regulations specify that only students who have registered for the class and who are listed on the official class rolls may attend a class. Students not listed on official class rolls may not attend classes; nor may students who have withdrawn or who have been withdrawn attend classes. Exceptions are at the discretion of the instructor.

Nondiscrimination

Confidentiality

Any medical documentation or information provided by an HIV-infected student to college personnel must be considered confidential and private information and must not be disclosed to any other person unless that person has a demonstrated need to know the information. **Convicted Sex Offenders**

The Texas Code of Criminal Procedure Article 62.153 requires each person who is required to register as a sex offender and who intends to attend classes at Victoria College to register with the College’s Department of Police & Campus Safety at least seven days prior to reporting to any College location.

In addition, College regulations also require that any person who is required to register as a sex offender or who otherwise has any restrictions that would prohibit the person from being in proximity to individuals under the age of 18 must, prior to registering for any class, meet with the Dean of Student Services to discuss all applicable limitations. The College reserves the right to remove from any class any such person who fails to meet with the Dean of Student Services prior to registering for class. Persons covered by this regulation must meet with the Dean of Student Services once per semester prior to registering for classes.

**Drug and Alcohol Abuse**

Victoria College is committed to maintaining a safe, healthy, and lawful educational environment for all students. Studies have shown that substance abuse increases the potential for accidents, absenteeism, tardiness, unsatisfactory performance, inefficiency, poor morale, and damage to the College’s reputation. It is our intent to provide a better place to learn through upgrading the mental and physical health of the total College community.

An “illegal drug” is any drug or controlled substance which is (1) not legally obtainable or (2) is legally obtainable but was not legally obtained. The term “illegal drug” includes all illegal drugs, dangerous drugs, and controlled substances defined and listed in Chapter 481 of the Texas Health and Safety Code (Texas Controlled Substances Act). The College prohibits the unlawful manufacture, sale, distribution, dispensation, possession, use, or consumption of controlled substances, inhalants, and/or alcohol in the workplace or
educational environment. An individual need not be legally intoxicated to be considered “under the influence” of a controlled substance or alcohol.

This practice applies to all students of Victoria College, as well as College visitors, contractors, and all other persons occupying space in and around office buildings, facilities, or grounds over which it has custody and control, including but not limited to rentals and leasing of College facilities.

Victoria College recognizes that alcoholism and drug dependency are illnesses and will provide information to any student seeking assistance when behavioral problems which appear to be the result of drug or alcohol abuse begin to affect academic performance. Students may be referred to Advising & Counseling Services for information regarding drugs/alcohol or to local community professionals and service agencies. The student will be responsible for any cost incurred for professional services. Information or medical records provided to the College by a student concerning a personal diagnosis or treatment will be kept strictly confidential.

**Emergency Procedures**

- bomb threat
- armed individual on campus
- severe weather alert
- injury or illness

All College students are vital to the success of an emergency plan. The regulations and procedures have been distributed to all students in an effort to stress the importance of campus-wide participation in following the steps involved in any given emergency.

The Department of Police & Campus Safety is responsible for providing security for all buildings on the Victoria College campus, to patrol parking areas, and to provide assistance to anyone on campus in need of help. Although police and security officers will strive to assist, students must remember that they have the primary responsibility for their own safety and security. Victoria College students are advised to call 911 in the event of a major emergency. This will bring campus police, EMS, fire department officials, and local police as needed. Local police provide support for Victoria College Police & Campus Safety personnel. The caller should specify the nature of the emergency, the location, and other information that may be applicable.

The caller should then notify Police & Campus Safety of the situation by calling (361) 220-1391, as well as one of the Vice Presidents or the Dean of Student Services.
The decision to close the campus will be communicated to students within minutes via a number of methods, including email, text messages, and recorded calls to home, office, and cell phones. In order to receive campus alerts, it is important to update all contact information in the Pirate Portal. Please visit www.VictoriaCollege.edu/Emergencies to learn how to update contact information.

Severe Weather
An emergency decision to dismiss classes or close the campus will be made by the President when weather or other conditions pose a potentially serious threat to the health or safety of the College’s students and employees. The President will make the decision after consulting with appropriate College personnel and representatives of public health or safety agencies. In most situations, the College will close if Victoria Independent School District and the University of Houston-Victoria close.

The decision to close the campus means that all scheduled classes and activities (both day and night) are cancelled.

Fire
In the event of a fire, the following steps should be taken:

• Notify the fire department by dialing 911 or, if using a campus phone, dial 9-911.
• Notify Police & Campus Safety, the President, or one of the vice presidents or the Dean of Student Services.
• Use the fire alarm in the room, if available.
• Be available to advise the fire department of the type and location of the fire.
• Follow the exit signs posted in each classroom for best possible routes for leaving the building.

Bomb Threat
In the event that a bomb threat is received, the College will be evacuated immediately, using the best possible routes for exiting the buildings. Students should take all personal belongings, such as coats and backpacks.

Illegal Weapon on Campus
Anyone having positive knowledge that a person is in possession of an illegal weapon on campus should immediately call 911 to alert police of the situation. Be prepared to provide the following information:

• Location of the armed person.
• How the person is armed, i.e. rifle, pistol, bomb, knife.
• Purpose, if known, of the armed person.
• A complete description of the individual.
• Whether or not any shots have been fired.
• Your name and where you can be located if police need additional information.

After notifying the police, notify Police & Campus Safety, the President, and one of the Vice Presidents or the Dean of Student Services.

Injury or Illness General Guidelines:

- Students who sustain injuries or experience illness should contact a College employee for assistance in completing an accident/injury report. Students are also encouraged to contact their personal physician for follow-up care.

- If a student witnesses an accident, they should contact a College employee immediately who, in turn, will contact Police & Campus Safety or one of the Vice Presidents or the Dean of Student Services to assist in implementing the appropriate procedures.

- Students are asked not to provide transportation for injured or ill persons. However, if students choose to do so, they do so at their own risk and liability.

- Contact Student Services to make arrangements for a family member to be notified to transport injured or ill students for medical attention.

- Students should not hesitate to call EMS in the event of a serious illness or accident.

Financial Delinquency

Student Responsibility
The College expects students to be financially responsible and not be delinquent in financial obligations to the College. A student who passes a worthless check, to include electronic transactions, to the College will be notified and given an opportunity to resolve the matter. If the obligation is not met by the date stipulated in the notification letter, the student will be withdrawn from classes and the check will be turned over to the District Attorney’s office. Such violations will be subject to investigation by the Dean of Student Services and subject to sanctions. In addition, the student may lose the privilege of paying by check for any College expense.

A student who fails to make installment payments by the due dates specified on the installment contract will be assigned a $25.00 late fee for each missed payment date. A delinquent account may be referred to a collection agency, in which event the student will be responsible for attorney’s fees, court costs, and any other associated fees. A hold will be placed on the records of any student who is delinquent in his/her financial obligations to the College. Future credit and noncredit registration and official transcript requests will be denied until all obligations are met.

Freedom of Speech and Assembly

Victoria College honors the rights of free discussion and expression, peaceful picketing and demonstrations, and the right to petition and assemble peacefully. Students are free to engage in such activities in public, outdoor areas of the Victoria College campus that are common and accessible to all students without prior approval.

Victoria College retains the right to relocate activities that create noise disturbances that substantially interfere with the opportunity of students to obtain an education; substantially interfere with vehicular or pedestrian traffic; block ingress or egress to College buildings; conflict with a previous College planned activity; present an unreasonable danger to the health or safety of individuals; are prohibited by local, state, or federal law; or prevent fire protection, law enforcement, or emergency medical service providers from access to areas on campus. The sponsoring student organization or group assumes all responsibility for compliance with local, state, and federal laws. Any request for an exception to, or modification of, this regulation shall be directed to the Office of the Dean of Student Services.
Immunizations
Bacterial Meningitis (Senate Bill 1107) Effective January 1, 2012

During the 82nd Texas Legislative session, Senate Bill 1107 was passed. This bill requires all new students, transfer students, and returning students who have had a fall or spring semester break in their attendance at an institution of higher education to provide proof of bacterial meningitis vaccination (or a booster dose). The bacterial meningitis vaccination must have been given during the preceding five year time period and at least 10 days prior to the first day of the semester. A student will be able to register for classes but if the evidence of vaccination is not turned in by the last day of registration, the student will be dropped from their courses.

1. This bill applies to:
   a. New student--a first-time student of an institution of higher education or private or independent institution of higher education, including a student who transfers to the institution from another institution;
   b. Returning student--a student who previously attended an institution of higher education or private or independent institution of higher education before January 1, 2012, and who is enrolling in the same or another institution of higher education or private or independent institution of higher education following a break in enrollment of at least one fall or spring semester.

2. Evidence of Vaccination--Acceptable evidence of vaccination or receiving a booster dose includes:
   a. the signature or stamp of a physician or his/her designee or public health personnel on a form which shows the month, day, and year the vaccination dose or booster was administered; or
   b. an official immunization record generated from a state or local health authority; or
   c. an official record received from school officials, including a record from another state.

Exceptions
a. A student is not required to submit evidence of receiving the vaccination against bacterial meningitis or evidence of receiving a booster dose if:
   1. the student is 22 years of age or older by the first day of the start of the semester in which they will be attending classes; or
   2. the student is enrolled only in online or other distance education courses and is not required to attend any course meetings, including final exams, on campus; or
   3. the student is enrolled in a continuing education course or program that is less than 360 contact hours, or workforce & continuing education corporate training; or
   4. the student is enrolled in a dual credit course which is taught at a public or private K-12 facility not located on a higher education institution campus; or
   5. the student is incarcerated in a Texas prison.

b. A student, or a parent or guardian of a student, is not required to submit evidence of receiving the vaccination against bacterial meningitis if the student, or a parent or guardian of a student, submits to the institution:
   1. an affidavit or a certificate signed by a physician who is duly registered and licensed to practice medicine in the United States, in which it is stated that, in the physician's opinion, the vaccination required would be injurious to the health and well-being of the student; or
   2. an affidavit signed by the student stating that the student declines the vaccination for bacterial meningitis for reasons of conscience, including a religious belief.
**Intellectual Property**

Student intellectual property is treated in the same manner as intellectual property of faculty and staff. Ownership of student projects that are the result of individual initiative with incidental use of College facilities and resources resides with the student. Student grievances alleging that a student's intellectual rights have been abridged are addressed by the student grievance process as outlined on page 32 of this handbook. The Intellectual Property regulation can be viewed in its entirety at: www.VictoriaCollege.edu/StudentServices.

The College is not responsible for theft of student property. Although police and security officers may assist persons in need of help, students must remember that they have the primary responsibility for their own safety and security.
